The redeeming feature of last night's races was Billy Vaughn's plucky ride of fifteen miles against Iver Lawson, whom he defeated with all the odds against lim. Woman who Doctored Eight Years and got No Relief Cured by Lydia E. Pinkham's Vegetable Compound.

"Before taking the Vegetable Compound I was troubled with irregular menstruation, and suffered great agony. My physician gave me morphine, and I remained in bed. I doctored eight years and got no relief, and the doctors told me there was no relief for my trouble. Finally I tried Lydia E. Pinkham's Vegetable Compound. While taking the first bottle I felt that I was improving. I have taken seven or eight bottles, and never had anything to do me so much good. Every month my troubles have grown less and less, and now at this time I am cured." Ella Quinney, No. 22 Stage Street, Haverhill, Mass.

WOMEN! REMEMBERTH In addressing Mrs. Pinkham you are communicating with a woman a woman whose experience in treating woman's ills is greater than that of any living person.

A woman can talk freely to a woman when it is revolting to relate her private troubles to a

Many women suffer in silence and drift along from bad to worse, knowing full well that they should have immediate assistance, but a natural modesty impels them to shrink from exposing themselves to the questions and probable examination of even their family physician. It is unnecessary. Without money or price you can consult a woman, whose knowledge from 20 years' actual experience is unequalled.

Women suffering from any form of female weakness are invited to freely communicate with Mrs. Pinkham at Lynn, Mass.

All letters are received, opened, read, and answered by women only.

This is a positive fact — not a mere statement — easily verified — thus has been established the eternal confidence between Mrs. Pinkham and the women of America, which has never been broken, and has induced more than 100,000 sufferers to write her for advice during the last few months.

Out of the vast volume of experience which she has to draw from, it is more than possible that she has gained the very knowledge that will help your case. She asks nothing in return except your good-will, and her advice has relieved thousands. Here are some of the cases we refer to:

Another Woman Who Acknowledges the Help she has Received from Mrs. Pinkham.

"DEAR MRS. PINKHAM - The doctor says I have congestion of the womb, and cannot help me. There is aching in the right side of abdomen, hip, leg, and back. If you can do me any good, please write." Mrs. Nina Chase, Fulton, N. Y., December 20, 1897.

"DEAR MRS. PINKHAM-I followed "DEAR MRS. PINEHAM—I followed your instructions, and now I want every woman suffering from female trouble to know how good your advice and medicine is. The doctor advised an operation. I could not bear to think of that, so followed your advice. I got better right off. I took six bottles of Lydia E. Pinkham's Vegetable Compound, and used three packages of Sanative Wash; also took your Liver Pills, and am cured." Mrs. Nina Chase, Fulton, N. Y. December 12, 1808.

Mrs. Voss cured of Periodical Pains and Perpetual Headaches by Following Mirs. Pinkham's Counsel.

I have headache nearly every day, and feel tired all the time. The doctor said my womb was cost of ribes. doctor said my womb was out of place. Would be so glad if you could help me." Mrs. Carl Voss, Sac City, Iowa, August 1, 1898.
